Synopsis:

Whether it's the decision to hire or to fire, to compensate or to discipline, your leaders make decisions every day that can have important legal consequences for your business. While the legal implications of some of these decisions are clear, others are less so. The goal of *Basic Legal Issues for Supervisors* is to give your leaders the essential legal information they need to be prudent decision makers. 21stLearn's online training solution should help your leaders avoid mistakes that lead to time consuming human resources difficulties and costly litigation.
