- Assessment

Synopsis:

Making good hiring decisions is crucial to the success of your business. Yet your leaders are unlikely to be born with the knowledge and skill to make good hiring decisions. *Hiring Right: Managing the Hiring Process* will give your leaders valuable insight into how to hire the right person for the job. This program will also help your leaders understand that a well-managed hiring process can create a positive foundation for the work relationship that will endure long after the hiring decision is made.
